Trop. Banquet Coordinator	D. Ene

## CME PROGRAM AUGUST 1<sup>ST</sup>, 2009

0715 Breakfast

0745 **Pre-Travel Risk Assessment**

Participants will be able to name three components of the pre-travel assessment and give examples of how they affect the advice provided; name three strategies to prevent travel related infections, injuries and illnesses; differentiate treatment from chemoprophylaxis; and explain the treatment and prevention options for altitude sickness, traveler's diarrhoea and malaria.

*Dr. Philippe Lagacé-Wiens*

0830 **Questions & Discussion**

0845 **Travel Vaccination Strategies**

At the end of this session participants will be able to explain the importance of a thorough individualized risk assessment, describe the risks for travel-related infections and barriers to travel health services as they pertain to the VFR population, and promote health and prevent disease or other adverse health outcomes through risk assessment and management during a pre-travel health consult.

*Dr. Tania Diener*

0930 **Questions & Discussion**

0945 Break & Exhibits

1000 **Malaria & Other Parasitic Diseases**

Participants will be able to name the five malarial parasites that cause disease in humans and their global distribution; describe the global patterns of resistance in *P. falciparum*; describe the symptoms of *Schistosoma*, Malaria and *Strongyloides* infection; and describe the treatment and laboratory diagnosis of Malaria, *Schistosoma* and *Strongyloides* infection.

*Dr. Philippe Lagacé-Wiens*

1045 **Questions & Discussion**

1100 **Resistance to Antibiotics**

Participants will be able to identify common antibiotic-resistant organisms, briefly describe the mechanism of resistance, describe the importance of using narrow spectrum antibiotics to curb the development of resistant bugs, explain the need to include local antibiotics when choosing appropriate antibiotics and identify antibiotics to treat resistant organisms, and explain problems with these antibiotics.

*Dr. Kumudhini Karunakaran*

1000 - 1200 **Concurrent Spousal Session**

Traversing the Canadian Landscape for Immigrants: Experiences, Issues, and Challenges. Please come with questions, issues, contributions, and experiences to share as this session will be empowering and provide opportunities for networking.

*Dr. (Mrs.) Jane Ekong - Facilitator*

1145 **Questions & Discussion**

1200 Lunch

1245 **Illness After Travel**

Participants will be able to recognize major symptoms in returning travelers such as fever, diarrhoea, respiratory illness and rashes, determine possible causes and identify appropriate treatment options.

*Dr. Valda Chijide*

1330 **Questions & Discussion**

1345 **Public/Private Partnership in Healthcare Delivery in Nigeria**

Participants will learn the history of healthcare funding in Nigeria and the rationale for the healthcare reform agenda; they will also learn the political, economic and social aspects of public/private healthcare and will be shown the results of the first year of PPP Concession of Garki Hospital, Abuja Nigeria

*Dr. Ibriham Wada*

1415 Break & Exhibits

1500 **Money 101: Financial Advice for the Physician** (this session is not accredited)

Participants will hear a general overview of financial planning issues from the perspective of a local physician. Dr. Chris Ekong Participants will discuss a variety of financial planning topics such as goal setting, cash flow and debt management, insurance, investments, education savings, retirement planning, estate planning, and practice management.

Brian Evans

Participants will be able to describe taxation of professionals and professional corporations and explain tax deferral through RRSPs and other registered plans. *Regan Exner*

1600 **Licensure in Saskatchewan for Learning or for Practice**

*Barb Porter*

1615 Adjourn
