Dear Colleague,

IMMEDIATE PAST PRESIDENT

Busola Onayemi FRCPC

This is my first letter to you in my capacity as president of our esteemed association. I thank you all for the confidence reposed in me and pledge to do my best to serve this organization for the next two years. A big thank you also goes to all those who were able to attend the annual CME/Family event in Vancouver this past summer and making it the success that it was. I trust that you all had a safe trip back home and have since returned to your routine.

The 11th annual CANPAD CME/Family event is scheduled to take place in Calgary from August 2 – 6, 2012. Preparation for this event is already in high gear. We welcome ideas from members as to what they would want for the organization.

Membership dues for 2012 are now due and I would encourage members to start paying between now and the end of the year. We need funds urgently to facilitate organizing next summer's meeting as well as continue to meet our other financial obligations. We would also appreciate it if this is considered a regular yearly contribution whether one attends the annual event or not. In this regard, contributions for 2011 are still welcome. A membership registration form with details of payment options is enclosed for your convenience.
